We regret to inform you that your claim stands repudiated.

On investigation, hospital records show that the insured has been a known case of Type 2 Diabetes Mellitus since 2017. This material fact was not disclosed in the proposal form submitted at the time of porting the policy to Suraksha Health Insurance in May 2024. The claim is therefore repudiated under Clause 9.1 (Disclosure) and Clause 4.3 (Pre-Existing Diseases).

Yours faithfully,

Claims Manager
